

Rolling Blackouts and Possible Effects on University Classes

The details of possible rolling blackouts in areas serviced by Kansai Electric Power Company (KEPCO) have been publicized on their website. Notice by KEPCO will be given 2 hours in advance of the start of any such blackouts. Please check the KEPCO homepage for updates. In the case that rolling blackouts are implemented, information as to whether classes are to be cancelled or not is detailed below:

1. Class
