1 Introduction

1.1 Notes on Operation

System Requirements and Operation Confirmation Terminals

Classification	System requirements and supported terminals	
PC	User	Chrome FireFox Safari Edge
Smartphone, etc.	User	iPhone: Safari Android: Chrome

*The operation confirmation terminals have been determined as a result of checking and do not guarantee proper operation.
*The images may not be properly displayed depending on the model or browser.
*The operation was confirmed with the latest version as of the date when it was performed.
*The service may be available from a terminal that does not meet the system requirements described in the terms of use or other than the operation confirmation terminals, but NTT West does not guarantee proper operation with such a terminal. Some of the screens may not be displayed or work correctly.

Inquiry about the System

2 Log In to the Certificate Issuance Service

*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

Screen Images	Steps	How to Operate

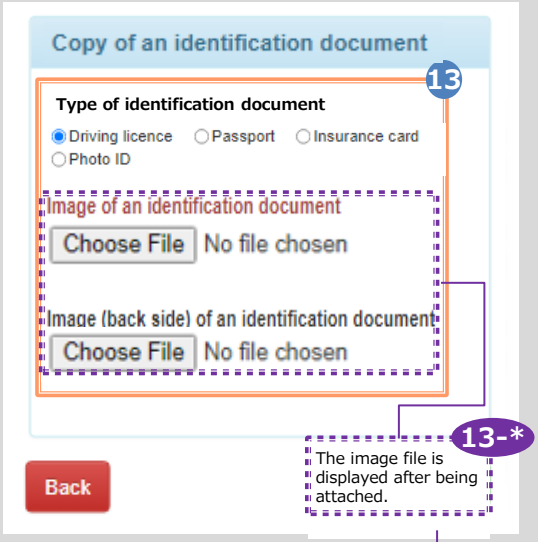
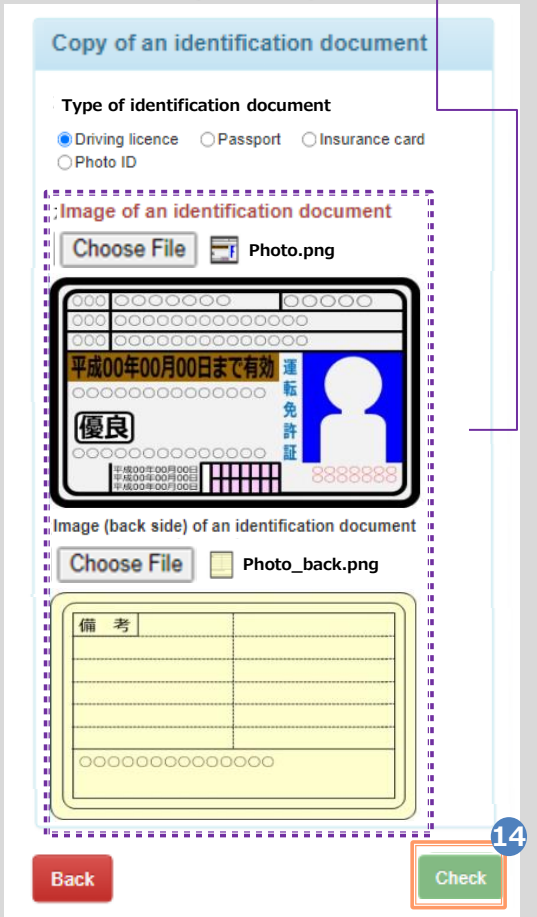
Before attaching the image



After attaching the image



13 The copy of an identification document is required. Attach the file for identifying the applicant.

► Type of identification document

Select the type of an attached document for identifying the applicant.

► Image of an identification document

Click the “Choose File” button and then shoot the document with a camera or select an existing image. If the information is also on the back side of the document, such as changed address put on the driver’s license, add the image of the back side.
Note that the operating method differs depending on the terminal to use. Follow the on-screen instructions.
Note that an image file having the “jpg,” “gif,” or “png” extension can be registered.

13-* When a file is selected, the image of the document is displayed for the “Image of the identification document.”
Check if the name, address, and birth date are readable.

14 Click the “Check” button.

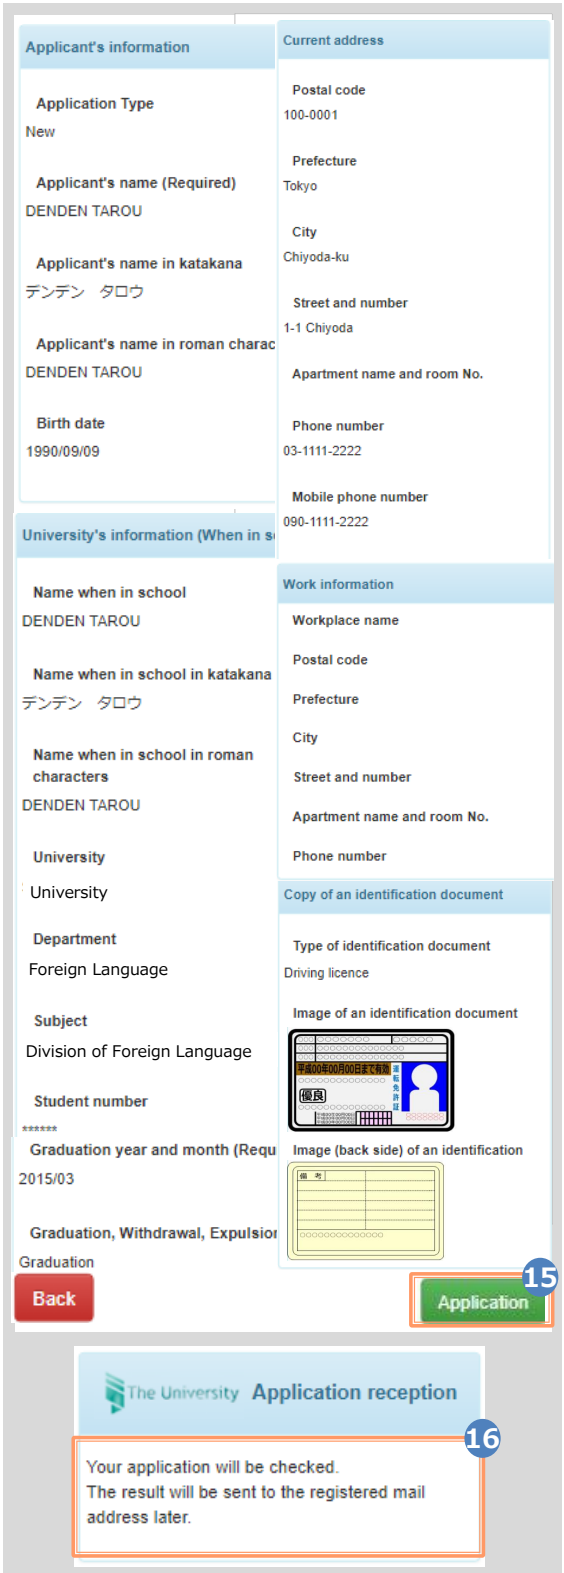
*Be sure to fill in the required items. If any of these items are left unfilled, it may take time for approval.

Copyright © NTT WEST,Inc. All Rights Reserved.

2 Log In to the Certificate Issuance Service

*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

Screen Images	Steps	How to Operate



15 Check the entered information for registration and click the “Application” button.

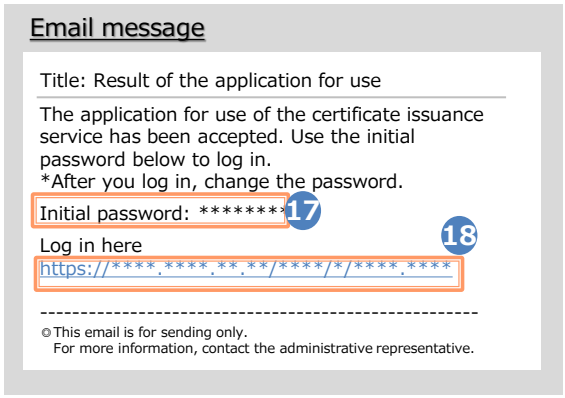
16 Check that the Application reception screen is displayed.

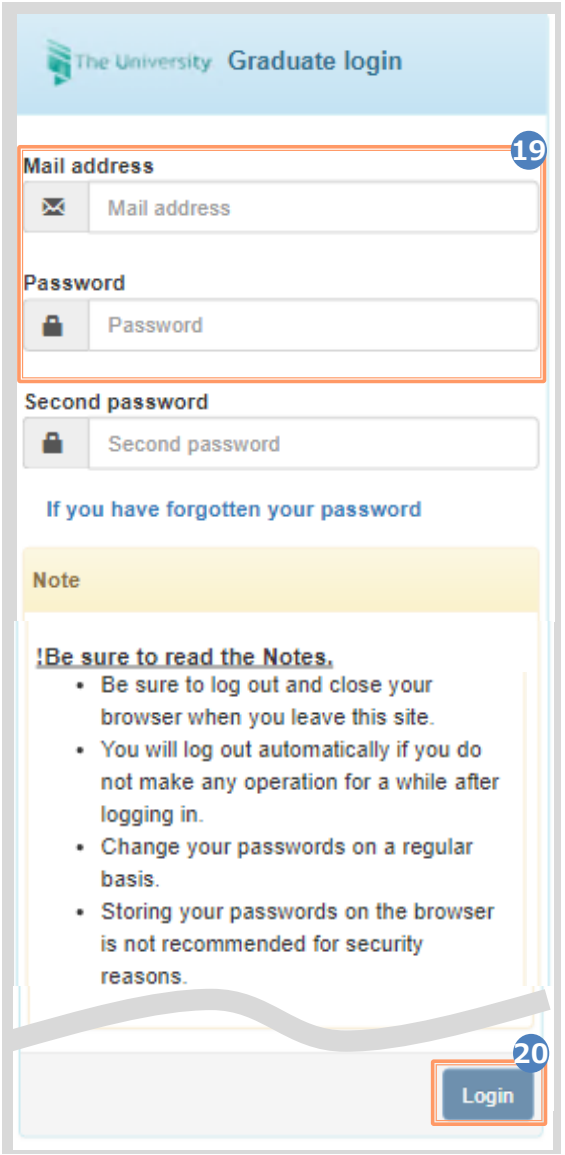
Copyright © NTT WEST,Inc. All Rights Reserved.

2 Log In to the Certificate Issuance Service

*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

Screen Images	Steps	How to Operate





17 After the university checks the application details, the result of the application for use is sent to the registered email address. Find the initial password in the email.

*The image on the left will be displayed when the application is approved. The application may be rejected or subject to resubmission.

18 Click the URL for “Log in here” in the email body text to access the login screen.

19 For the “Mail address” field, enter the registered email address, and for the “Password” field, enter the initial password shown in the email announcing the application result.

*Leave the “Second password” field empty.

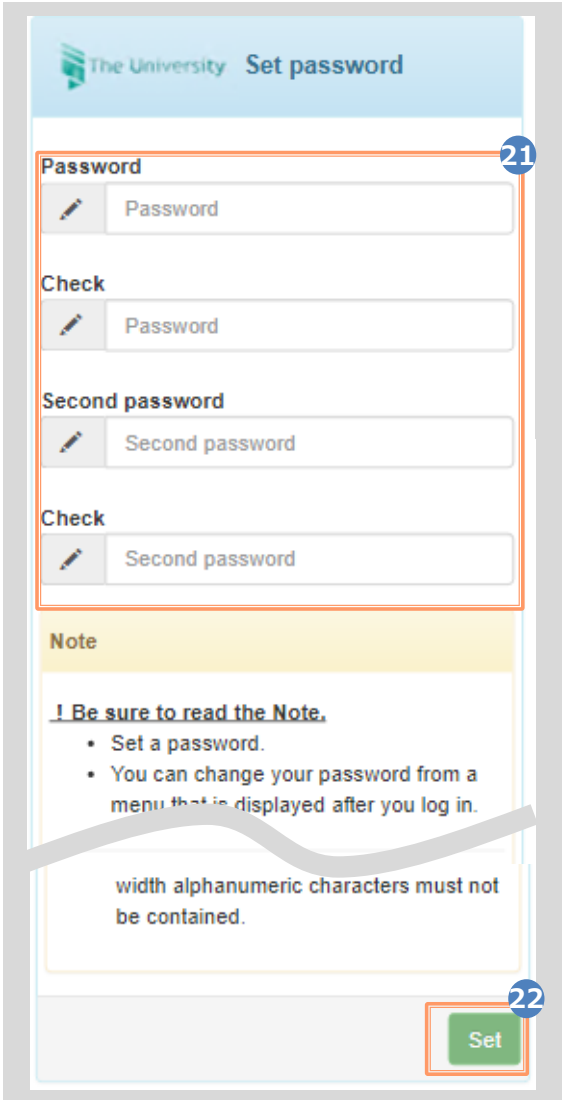
20 Read the “Note” and click the “Login” button.

Copyright © NTT WEST,Inc. All Rights Reserved.

2 Log In to the Certificate Issuance Service

*The screen images shown below are samples only. For actual operation, follow the on-screen instructions.

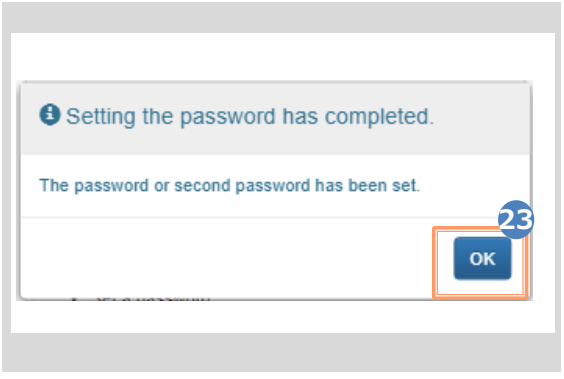
Screen Images	Steps	How to Operate



21 The Password Setting screen opens, where you can change the initial password and set the second password.
Fill in the “Password” and “Second password” fields and the confirmation field for each with a password and second password, respectively, (other than the initial password) of at least eight single-byte characters, including both upper- and lowercase characters.

*The password and the second password must be different.

22 Read the “Note” and click the “Set” button.



23 Click the “OK” button.

The Certificate Issuance Service has now become available.

*A graduate who has multiple student ID numbers of, for example, undergraduate and graduate, can add the student ID number by referring to the following:

► 2.3 “How to Add a Student ID number”
