Please read the "Course registration guide" and the "Campus Handbook" applicable to your year of enrollment carefully. Also check "Registration & Timetable (Syllabus Inquiry)" in UNIPA to plan your course of study.

*"Course registration guide (JP)" and "Campus Handbook (JP)" are available on the university website.

<Proficiency Class>

Please check your courses/proficiency classes' level regularly as they will be updated in "Student information (Personal information)" on UNIPA from the confirmation of courses/classes date to the start of Course registration period. Also, please check again before the start of course registration whether there is no change.

<Course registration period>

- Please read the "Student Operation Manual" in UNIPA carefully and register for courses by the deadline.
- Please check the course/proficiency classes' level information on "Student information (Personal information)" of UNIPA.
- Please check "Registration & Timetable (Course registration)" for specified subjects.
- At the end, please confirm the number of registered credits and click "Submit" button. Course registration errors must be corrected.

[Course registration consultation (Only for those who wish)]

Please read the "Course registration guide" carefully, and you can consult with the Division of Academic Affairs, if you wish.

*We accept the consultations regarding course registration, such as changing classes or proficiency level due to retakes.

[Application for lottery subjects (Only for those who wish)]

•**There is only one application period for lottery subjects.** There will be no second application period for lottery courses, so if you need to take lottery subjects, please be sure to apply.

•Please read the "Student Operation Manual" in UNIPA carefully and apply for the lottery subjects by the deadline, if you wish.

•If you wish to apply for the ones, please register compulsory subjects first. You cannot apply for the ones that will be offered on the same day of the week that you registered for in the Course Registration Period.

•You cannot apply for lottery courses beyond the maximum number of credits you can register for each semester or year, including the number of credits for which you have already registered.

•In case of overlap between compulsory subjects and lottery subjects, **the compulsory subjects** will take priority over the lottery subjects.

•You can confirm the results of the application for lottery subjects on the "Registration & Timetable (Lottery hope registration)" of UNIPA. The elected ones will be appeared as specified subjects (unchangeable) during Course registration change period. So during that time, please check "Registration & Timetable (Course registration)" to confirm that the elected ones have been registered properly.

[Application for<Foreign Language Subjects> "〇〇語 I" lottery (Students who enrolled in AY2024 or later)]

•If you wish to take <Foreign Language Subjects> "〇〇語 I" you can apply during this period.

•There are two application periods for this lottery.

•Please confirm the notice announced by UNIPA before course registration begins for details. (Subject:Registration of Foreign Language Subjects "〇〇 I" for the fall Semester 2026)

•For students enrolled in AY2023 or earlier (including Transfer Students in AY2024, and 3rd-year Transfer Students in AY2025) , please be aware that the following second foreign language courses cannot be registered through the UNIPA course registration screen:

基礎スペイン語・基礎フランス語・基礎ドイツ語・基礎ポルトガル語・基礎中国語・基礎イタリア語・基礎ロシア語・基礎コリア語

Students need to retake any of the above courses, please follow the instructions that will be posted on UNIPA by the Division of Academic Affairs before the Fall Semester course registration period, and complete the required procedures by the deadline.

<Course registration change period (Additions & Correctiones)>

•Please read the "Student Operation Manual" in UNIPA carefully and register for courses by the deadline.

•You will find the elected lottery subjects as specified courses (unchangeable) on "Registration & Timetable (Course registration)" of UNIPA.

•If you wish to add electives, please register them during this period and click "Submit" button.

•Even if you do not register additional courses during this period, please check the number of credits you have registered and click "Submit" button again. If there are any course registration errors, they must be corrected. If you cannot fix the errors, visit the Division of Academic Affairs and ask us how to delete them by the deadline.

•After this period, electives which are oversubscribed will be adjusted (priority will be given to senior year students of the department offering the course).

Please check the results of the electives adjustment on the "Registration & Timetable (Student timetable)" after final confirmation of student timetable.

•Even if registered courses are cancelled due to the adjustment, students cannot add any replacement.

However, the adjustment affects your plan how to meet the graduation requirements and you are supposed to be unable to meet it, please contact the Division of Academic Affairs immediately.

<Final confirmation of student timetable>

•Please confirm "Registration & Timetable (Student timetable)"

•Please check if there are any registration errors. If there are errors, please contact the Division of Academic Affairs to correct them.

•Please check the results of the course adjustment for the electives you registered for during the course registration change period. Registered courses may have been deleted as a result of course adjustments.

<Course Cancellation Period>

Please read the "Student Operation Manual" in UNIPA carefully and cancel courses by the deadline.

You can cancel your electives.

<Final confirmation of student timetable after course cancellation>

Please confirm "Registration & Timetable (Student timetable)" in UNIPA to check if there is no problems.
